Tasty Plant Based Food

ABOUT US

Friendly - Customer Focused - Committed

Birubi Foods, is an Australian owned family business, that creates, makes and supplies the Vegie Magic range of delicious plant-based foods.

We specialise in a diverse range of innovative products suitable for the fast-paced and gourmet environment of foodservice. Our goal is to make it easier to cater for the increasing number of people needing or making specific dietary choices, so all your menu items are shareable.

All Vegie Magic products are plant-based i.e., red meat, chicken, pork and seafood free, and contain no egg, nut, or peanut ingredients. Most products are gluten and soy free and only a limited number contain dairy ingredients.

All products are suitable for vegetarians and flexitarians.

Most products are also suitable for vegans and celiacs (gluten-free).

Birubi Foods also develops, makes and supplies custom products for other foodservice businesses. We are a long-standing supplier of vegie products to leading quick serve restaurants including Grill'd, Schnitz and others. So, if you're looking for something special, we have extensive experience customising products to suit specific menus, nutritional and brand requirements.

We look forward to sharing our food with you and your customers.
